Tell us what you think –

At the meeting on January 6th we want to set an agenda for 2007, and need your input. Just suggest a topic (or two or three) that you would like to see included in our meeting agenda for the year. For example, some have suggested “more flyouts”, or “a visit to Seattle ARTCC”. Please send an email message to Don Miller (donmiller@cablespeed.com), or give him a call at 385-0198 with your suggestions. (And by the way, the new meeting site at Port Townsend Aircraft Services has Internet access. So if you have ideas for meeting activities that need the web now we can do it.)

Give us your ideas before the meeting, and we will prioritize them as a group on January 6th.

Don Miller donmiller@cablespeed.com – 385-0198.

Minutes of the December 2, 2006 JCPA Meeting

There was no regular meeting in December. Instead, members gathered for a Christmas party at the Roadhouse Restaurant on December 7th. The Wild Rose Chorale entertained us with Christmas carols sung without instrumental accompaniment. Fabulous!

The member of the year award was presented to Pat Shannon.

Many thanks to all those who helped with the party:
Decorations: Rick and Alice Martinez, Richard Wagner
Gift Shopping and Wrapping: Dennis & Carol Broderson

And special thanks to Ken McMillen for planning and organizing the event.

FROM THE PRESIDENT...

Remember that our meeting place is changing from the Wills House to Port Townsend Aircraft Services beginning January 6th, 2007 at 10am.

Since the Port intends to surplus the Wills House, Cindy Cook, with help from Jodi Hallinan and Linda Swisher, took inventory of items in the building to determine who owned what. They moved some things over to Port Townsend Aircraft Services because we'll need them there for future meetings.

If you donated an item to JCPA at the Wills House that you would like to have back, please contact Jodi Hallinan at Port Townsend Aircraft Services so she can check it off the list. Thanks!

- Pat Shannon

Heads Up....

The February meeting will be held on the second Saturday – February 10th. The FAA will make a very lively and entertaining presentation on runway incursion. This will be a joint meeting with the EAA, and for participating in the program, we will earn a \$2500 grant for airport improvement.
