The FAA requires that visitors be US citizens. Visitors will be screened with a metal detector prior to entering the facility.

Dedication of the Pilot Memorial

On Saturday October 13, we will hold a dedication ceremony of the Pilot Memorial at Jeffco.

Plaques commemorating fourteen pilots who once flew from Jefferson County International Airport have been cast and mounted on the memorial which is immediately West of the Spruce Goose Cafe.

We will meet in the hangar (not the pilot's lounge) at Port Townsend Aircraft Service at 1000 and then proceed to the memorial for a short dedication. Afterwards, refreshments will be served back at the hangar.

Linda Swisher is the visionary and driving force behind the memorial, and she received generous support from a number of people and organizations in our community:

- Port of Port Townsend: Larry Crockett and Jim Pivarnik
- Old World Granite and Marble: Gilles Mougel and Chris Marrs
- Port Townsend Foundry: Pete and Kathy Langley
- The families of the pilots memorialized.

Thanks also to Ron Way and Dennis Broderson for installation of the plaques, as well as Jim McKenna and B. J. Hallinan for learning the procedure for future installations.

We will need some help setting up chairs for the reception, so if you can arrive early, your efforts will be appreciated by the families.

BARBECUE SEPTEMBER 8

On Saturday September 8, about 50 of us got together for the annual barbecue at Randy Shelley's hangar. There were hamburgers, bratwurst and chicken strips on the grill with lots of salads and sides - plus wonderful deserts.

Thanks to everyone who made the barbecue a success: Jodi Hallinan and Cindy Cook for doing all the work prior to the event, Don Miller, Kathy Shelley and BBQ chefs Ron Way and Randy Shelley.

LANDING ACCIDENT AT JEFFCO

One topic of conversation at the barbecue was the landing accident involving a visiting pilot which occurred just as members were arriving for the barbecue. The aircraft, a 1940s Vintage Stinson, was badly damaged, and the pilot, Karen Jane Souter, was airlifted to Harbor View Medical Center. According to the *Peninsula Daily News*, she was released from Harbor View later that day.
