JCPA Christmas Party

Card available from <http://www.holidaycardcenter.org/asf/>

This year the Christmas Party will have a different format - a pot luck dinner. The event will be held on Saturday December 6, 2008 at Port Townsend Aircraft Services hangar. Festivities will begin with a social hour at 6 pm, followed by dinner at 7 pm.

Bring your own place settings, your favorite beverage, and a dish to share for 6-8 people. It's free! Your dish to share is your admission.

For last minute updates, see Christmas Party link on the [Calendar Page](#) on JeffcoPilots.com.

President's Message

On behalf of all the members of JCPA, thanks to everyone who made our 2008 program a success: Cindy Cook, Larry Crockett, Bob Daley, BJ Hallinan, Jodi Hallinan, Roth Mason, Ken McMillen, Doug McMinds, Johnny Odom, Randy Shelley, and Ron Way.

Thanks too to Rick Martinez and Richard Wagner for helping as 'deputy secretary' when needed.

And finally, thanks to Larry Baum and Don Miller for agreeing to serve as directors beginning in 2009.

Best wishes to you and yours for the holiday season.

Patrick Shannon.

New Business

Nominations and elections of Board Members and Officers for next year were accomplished. A slate of candidates for these positions for 2009 was announced in the Newsletter and at this meeting. There were no additional nominees from the floor. Unanimous ballots were cast by acclamation. The officers and directors for 2009 are:

- President: Patrick Shannon
- Vice President: (vacant)
- Secretary: Doug McMinds
- Treasurer: Jodi Hallinan

Board of Directors: Larry Baum, Don Miller, Jodi Hallinan, Doug McMinds, and Pat Shannon

The Christmas Party was discussed. It was decided to have a pot luck dinner party. There will be a Cocktail hour from 6:00 to 7:00 PM. Dinner will follow. Folks attending were requested to bring their own place setting and beverage.

It was announced that Don Miller will make a survival presentation at the January meeting.

Hangar Flying

There were enjoyable and informative discussions among those present on the following topics:

1. Google Earth and the flight simulator.
2. ELT issue(s) and the new locator beacons on the market.
3. Cirrus parachute.
4. When flying to a new area, it is very important to get as much local information as you can.
5. The problems members have with gas tugs: Water collects in the oil due to condensation and very

short run times moving airplanes. A member's tug engine had one of his valve springs rust away because of this water problem. As a remedy, change the oil often in these machines.

6. Water issues in our airplane engines.

7. Like frost, it was discussed that desert dust on control surfaces would also affect airplane performance.

Meeting was adjourned.

Respectively Submitted,
Doug McMinds
