

PROP WASH

Over the East River in New York City.

THE SEGMENTED CIRCLE

Let's paint the segmented circle.

Immediately after the JCPA meeting on August 1, weather permitting, we will have a work party to spruce up the segmented circle with a fresh coat of paint.

The Port is supplying the paint and we will supply the painters.

Wear your painting clothes.

FLY-OUTS

Last year it proved difficult to organize fly-outs, as the weather was marginal VFR at best on the days scheduled for fly-outs. Pilots who came out to the airport on the appointed days spent a couple of hours looking at the sky and talking to flight service before going home.

On VFR days, nothing had been planned.

This year, we suggest something much less formal. A group of pilots meet for breakfast every Saturday at 0800 at the Spruce Goose. If you want to fly somewhere, simply show up, have breakfast and see if anyone is interested in going to the same destination, or another destination.

Let's see if simpler is better.

PORT COMMISSION

Two of the three seats on the Port Commission are up for election this year. There is a candidate's forum scheduled for Monday 7/27/09 at 1900 at the Tri Area Community Center in Chimacum.

Fly-in at Jeffco

Now that insurance satisfying the Port's requirements is in place, the fly-in at Jeffco is definitely going ahead on **August 7-8-9, 2009**.

And the fly-in promises to be just part of the show. As it seems that old cars and airplanes go together, the local car clubs have been invited to attend and show off their cars, giving the event broader appeal.

There is work to do in setting up and making the fly-in a success: deciding where the car clubs will exhibit, how to direct visiting aircraft and cars to parking places, and placing trash barrels, to name a few.

Your help is needed. If you have an opinion, be sure to attend the JCPA meeting on August 1. We will discuss what needs to happen and agree on the best way to get it done.

In past years, with good weather, Airport Days attracted a lot of people to the airport and to Port Townsend.

Invite everyone you know to come out and join the fun on August 7-8-9, and let's hope the weather is good that weekend.

See you August 1 and again on during the fly-in.

Airport Update in the May *PROPWASH*, A sign, Membership Applications, and other.

New Business

Pat Shannon investigated the potential advantage of JCPA joining the Washington State Pilots Association. After discussion, Rick Martinez volunteered to investigate this matter further.

Kenmore Air has reported to JCPA that their pilots will make announcements of their intentions on 123.0 as they approach Jefferson County Airport.

It was decided to invite the Port of Port Townsend Commissioner candidates after the August primary to our October meeting to discuss their position on airport matters.

It was decided that we will paint the segmented circle after our August meeting. Bring your painting clothes!

Meeting was adjourned.

Respectively Submitted,

*Doug McMinds,
Secretary*

ABOUT THE JCPA

The JCPA meets at 1000 on the first Saturday of each month in the pilots lounge at Port Townsend Aircraft Services, 191 Airport Road, Port Townsend, WA 98368. For more, visit JeffcoPilots.com.

MINUTES OF THE JULY 4 MEETING

The meeting was called to order by President Pat Shannon

Jodi Hallinan moved and Randy Shelley 2nd her motion to amend the previous meeting's minutes. Under Old Business, it was stated: "Dave Ward discussed ..." This is now replaced with, "It was discussed..." Motion passed.
