### BARBECUE SEPTEMBER 5

Join your fellow pilots on Saturday September 5 at 1100 for the Annual JCPA Barbecue. Admission is free. Just bring a dish to share.

The JCPA will supply burgers, bratwurst, condiments and soft drinks.

Where: PT Aircraft Services, 191 Airport Rd.

Note the time: 1100.

Cynthia Campbell volunteered to organize this event. If you can help, contact Cynthia at [zin@dhoby.com](mailto:zin@dhoby.com), or 360.774.6116.

### THE SEGMENTED CIRCLE

You should see it from the air! The segmented circle has a new coat of paint, thanks to the fine efforts of members Johnny Odom, Randy Shelley, Bill Plice, and Ron Way. Thanks guys.

### FLY-OUTS

A group of pilots meet for breakfast every Saturday at 0800 at the Spruce Goose. If you want to go on a fly-out, simply show up, have breakfast and see if anyone is interested in going to the same destination, or somewhere else.

### Fly-in Next Year?

Considering that the weather was not great, and that the entire event was organized quickly, the fly-in Aug. 7-8-9 was a success.

It was to begin on Friday but two airplanes from Olympia arrived a day early and set up camp for the weekend. Good planning on their part, as we were greeted by low ceilings Friday morning that stayed most of the day.

Saturday the ceilings began to lift and by mid-morning airplanes were arriving, along with other visitors who wanted to see what was going on. The Spruce Goose had fairly steady business most of the day.

Sunday saw very low ceilings once again and everyone stayed home.

So, where do we go from here?

If we want to have an airport event next year, we will have to get an organizing committee in place in September. The first thing they will have to do is choose a date, and then plan aviation and non-aviation activities so that it can be a success regardless of the weather.

Should we have it or not? We would like to hear from you at [jeffcopilots@gmail.com](mailto:jeffcopilots@gmail.com).

The fly-in is on for August 7-8-9. Two car clubs and Young Eagles will participate, food and beverage vendors also. The Port will supply sani-cans, they are also requiring insurance. The premium is \$1100, none of the other organizations are willing to help pay for this so we may be selling some beverages to help offset the cost.

It was noted that we should have insurance to protect our members, so Randy Shelley moved and Rick Martinez seconded that our organization reimburse Northwest Hangars \$350 towards the premium for the fly-in on August 7-8-9 on condition that our association and the volunteers be named as additional insured on the policy. Passed.

Volunteers will meet on the 5th and 6th at 1300 at the airport to go over the program.

Meeting adjourned 1130.

Respectfully submitted

*Richard Wagner,  
Acting Secretary.*
