## AIRPORT DAYS AND FLY-IN

Jeffco Airport Days and Fly-in is fast approaching. The committee has lined up an impressive array of exhibits, activities and entertainment for families in our community. A sampling:

- Tethered hot air balloon rides
- Young Eagle airplane rides, ages 8-17, Saturday 10am-3pm
- Cascade Warbirds on display.
- East Jefferson Fire Rescue display.
- Car Clubs.
- Military vehicles.

- Arts and Crafts by local artists
- Evening entertainment Friday and Saturday.
- Music all day Saturday
- Aircraft related swap-meet "fly market"

You will begin to see a lot of publicity during the weeks leading up to the event in the local newspapers, in local shops and while driving around. If the weather cooperates, we should have good crowds.

## MINUTES OF THE JUNE MEETING

The monthly meeting of the Jefferson County Pilots Association was called to order on 5 June 2010 at 1000 by

President Bill Putney at the offices of Port Townsend Aircraft Service, Jefferson County International.

## President's Message

In my message last January I challenged the JCPA to see that every person in Jefferson County had a positive experience with our airport, airplanes and pilots. Give a Young Eagle a chance to soar, be an Angel to get someone to a needed treatment, deliver a service when it counts. Encourage our flying friends to come and spend some time in our community.

It's show time. Jeffco Airport Days and Fly-in is our best opportunity to give that positive experience to our neighbors in Jefferson County.

The Fly-in Committee has lined up an impressive list of attractions and have backed it with publicity to draw the crowds. All we need is good weather and lots of volunteers.

We urgently need volunteers for July 16th, 17th & 18th. Help direct traffic, keep the ramp area safe, answer questions, herd exhibitors or hold the rope for the balloon rides. We need lots of hands, lend us yours. And please let us know in advance that you'll be helping by calling 360-379-2687 or [ptflyin@yahoo.com](mailto:ptflyin@yahoo.com) via email.

*Bill Putney*

It was moved, seconded and approved to accept the minutes of the previous meeting as published in the May Propwash, monthly newsletter of the Association.

Pres. Putney told of his adventures in re-powering the Navion and trying to relocate the aircraft from California to its new base at Jeffco.

**Old Business (The Fly-In):**

Insurance to insure the Association for the upcoming Fly-In is obtainable at a cost of \$375.50, to be matched by the Port of Port Townsend as co-insureds. It was moved, seconded and passed to authorize expenditure of Association funds to pay for our share of the needed insurance.

It was suggested during discussion that a "garage sale" of aircraft parts be held during the Fly-In. If you are planning to attend the Fly-In and wish to participate - especially if you can offer assistance, please contact Ari Hallinan @ 360-385-7770; or Gail Rodgers @ 360-379-2687

The next meeting of the Fly-In planning committee was to be held 11 June 2010 at 1000 at PTAS. All are welcome. Another meeting will be held 25 June, same time and place.

Their being no new business, upon motion made, seconded and passed, the meeting was adjourned at 1050.

Respectfully submitted,

*Rick Martinez, Secretary*

**Treasurer's Report**

As of 5/31/2010

Checking Account

Beginning Balance 5/01/2010 \$1387.96

Expenses:

State Renewal Fee \$10.00
