MINUTES OF THE FEBRUARY 5 MEETING

The February 2011 meeting of JCPA was brought to order by President Bill Putney with 10 members attending. The minutes of the January 2011 meeting as posted in Propwash were read and approved. The motion to approve the minutes as read was made by Richard Wagner with a second by Eric Taylor.

Treasurer Doug McMinds submitted a treasurer's report with the following balances:

Checking account	\$1,064.74
Savings account	\$2,865.06

A motion to accept the treasurer's report was made by Eric Taylor, seconded by

Johnny Odom, and approved by all attendees.

The checking account balance will increase a bit as several attending members paid their annual dues.

Old Business

Under the subject of Old Business, President Putney reported that we have not, as yet, found a person to be the overall manager of planning and activities for the scheduled July 16 Airport Day. This led to considerable discussion about the Airport Day and the reality of JCPA sponsoring the event with no manager and so few members attending monthly

President's Message

We have an immediate need for a volunteer to be the coordinator for Airport Days. Someone to build on last years successful event and organize the follow on. If you volunteer you will have the support and council of the Officers and Board and many members in the process. Expect that you will need to spend a few hours a week from now until July getting the word out to the flying communities around Washington and the public. It will become more intense in July but by then your team should be in place to help.

Qualifications; Commitment to public awareness of the value of oS9, time to dedicate to the process, attention to the details of making the event a success. Prior experience in organizing an event is not a requirement. Being able to ask for help when you recognize you need it is.

In the process of attempting to make JCPA more relevant, we held a meeting to discuss the continuation of "Airport Days (Daze)". Continuing the event received overwhelming support and pledges from many to volunteer when the time came to make it a reality.

Continued on page 2.

meetings. The January meeting drew 8 attendees and the February meeting 10. Final resolution of the discussion was a motion that unless there is an Airport day manager in place by March 30, JCPA will NOT sponsor the event. Richard Wagner made the motion, Eric Taylor seconded and it was approved by all attendees.

New Business

There was no item of New Business.

A motion to adjourn was made by Richard Wagner, seconded by Larry Baum and approved by all attendees.

The next JCPA meeting will be March 5.

Respectively submitted,
Gene McCutchin, Secretary

Continued from page 1.

The officers and board agreed to extend their terms to make the transition to the new Airport Days focused term commencement dates. I have asked for a volunteer to take the coordinator's position at the last two membership meetings. I have a very busy schedule and will have for the next few months. I can not do this myself.

At this point, if I don't have a volunteer to take this position by the next membership meeting I will be forced to announce the cancellation of the event.

UPCOMING EVENTS

April 2 Meeting

Larry Crockett, Executive Director of the Port of Port Townsend and his team will tell us about planned developments for the airport and host a Q&A session.

May 7 meeting

Learn what you need to know about flying to and from Canada, including eAPIS, ATC user fees in Canada, and some of the differences in procedures and regulations while flying in Canada.

ABOUT THE JCPA

Our regular meetings are held at 1000 on the first Saturday of each month in the pilot's lounge at Port Townsend Aircraft Services, 191 Airport Road, Port Townsend, WA 98368. In addition to the regular meetings, other events are scheduled from time-to-time. More details are available on the Calendar and on JeffcoPilots.com.
