MINUTES OF THE MARCH 5 MEETING

The March 2011 meeting of JCPA was brought to order by President Bill Putney with 14 members attending. The minutes of the February 2011 meeting as posted in Propwash were read and approved. The motion to approve the minutes as read was made by Bob Engel with a second by Richard Wagner.

Treasurer Doug McMinds submitted a treasurers report which follows these minutes.

Doug reminded that we are in a new year and annual fees are now due--and appreciated.

Richard Wagner made a motion to accept the treasurers

report as read, Ron Way seconded the motion which carried.

Old business

Under the subject of Old Business, President Putney reported that we have not, as yet, found a person to be the overall manager of planning and activities for the scheduled July 16 Airport Day. After a bit of silence, discussion developed about the activities that are planned for this day. The Sequim EAA chapter is planning a Young Eagles event on July 16 at Jefferson International, the hot air balloon that we planned to use last year is now current and

President's Message

I am pleased to announce that Gene McCutchin has volunteered to chair the Airport Day Organizing Committee.

Please give Gene all the support you can.

And if you haven't sent a check for your 2011 dues, please bring it to the meeting on April 2. Or, drop it in the mail to JCPA, 191 Airport Rd., Port Townsend, WA 98368.

Bill Putney

Airport Day Update

Airport Day 2011 at Jeffco Int'l will be July 16. Mark your calendar and plan to be at the airport. With Young Eagle flights and balloon rides, we have a good base to build on and develop another busy day at the airport.

If you have any suggestions or particular interest that you would like to see scheduled for the day, please contact me at gmac93@gmail.com or 360.390.5000.

Yes, of course the weather will be perfect for flying on July 16!

Gene McCutchin

available, and Dave Ward related that in talking with FAA reps in Puyallup last month, they told him that it would be no problem to include the FAA in our Air Day and have them provide a seminar. There are quite a few things simmering and smoking on this issue, we just need someone to make some fire and light 'em up.

New Business

There was no item of new business.

A motion to adjourn was made by Dave Ward and a second by Richard Wagner. The motion carried and the meeting adjourned.

The next JCPA meeting will be April 2.

Respectively submitted,
Gene McCutchin, Secretary

UPCOMING EVENTS

April 2 Meeting

Larry Crockett, Executive Director of the Port of Port Townsend and his team will tell us about planned developments for the airport and host a Q&A session.

May 7 Meeting

Flying to Canada: advance planning considerations, border crossing requirements and procedures. You will learn what kind of flying we commonly do in the US that is strictly prohibited in Canada.

They say every runway looks the same from 1000 ft AGL. Some still look different.

TREASURER'S REPORT
